

ILHEC SUMMIT GOALS

The ILHEC summit goals are to further build cohesion and collaboration among Indiana higher education professionals connected and concerned with the access and success of Latino students. The summit goals are to network, share best practices, and continue to build on ILHEC's mission for a sustainable future. The summit will feature key speakers and workshop presenters to help achieve the summit's goals. Overall, the summit will be an opportunity for higher education professionals to share best practices, build relationships, and attain skills or knowledge for Latino student success.

ILHEC encourages faculty, student affairs, graduate students, scholars, and policy-makers to attend.

MISSION

Indiana Latino Higher Education Council (ILHEC) mission is to develop a statewide effort to enhance Latino student, faculty and staff advocacy in higher education, networking and support, and development by sharing information, developing cultural competency training and working together to help with the success of our individual areas.

ADVOCACY

Advocate on behalf of Latino initiatives; serve as a resource, which consolidates and distributes information, data, models, and other materials relevant to our duties to serve Latinos in or on the way to higher education.

NETWORKING AND SUPPORT

Share information and resources; cost-sharing and support when bringing speakers, performers, etc.; sponsoring professional development activities which foster growth and learning amongst ourselves; support a leadership pipeline for new professionals, students, and others interested in the field of multicultural education and leadership.

DEVELOPMENT

Form partnerships with foundations, institutions, and other agencies which support the organization's mission.
