Center for Statistical and Mathematical Computing

Minitab[®] 15 **for Windows[®]**

Installation Instructions

Indiana University

Installing Minitab 15

* Insert the CD into the CD drive. If installation does not start, click on Start>Run. Type D:\setup.exe and click on OK

* Click on Next

* Accept the License Agreement and click Next

* Accept the default installation location by clicking Next

* Click on Install

* Click Finish when the installation is completed and remove the CD. You may be required to reboot your machine.

After installation, software must be licensed.

The process described below need only be done once.

* Double click on the Minitab icon or by going to Start>Programs>Minitab Solutions> Minitab 15

* A window titled Find License will appear.

* In the top window, that reads "Specify the License Server System" edit the line so it reads: C:\Program Files\Minitab 15\minitab.lic

Minitab will now be licensed.

"After installation, there is a README.WRI file and a MeetMinitab.pdf file located in the \Minitab 15\English folder. The first file contains a brief introduction to Minitab, Automation and Customization tips, and Known Problems and Workarounds. The

second file contains detailed information for users about how to use Minitab."

Upgrades

Minitab Inc. issues updates and supporting documents over the internet. Please check the following webpage for more information.

www.minitab.com/support/

Check the Minitab web site periodically for news and information on upgrades for Minitab 15 or later releases.

Where to Get Help

The Center for Statistical and Mathematical Computing (Stat/Math Center), provides e-mail, phone, and walk-in consulting

for Minitab users from all eight IU campuses.

The Stat/Math Center maintains several electronic documents relating to Minitab that are available at:
www.indiana.edu/~statmath/stat/minitab/index.html

Stat/Math Center
410 North Park Avenue
Bloomington, IN 47408
