## G. ANNUAL EXPENSES

Provide 2003-2004 academic year costs for the following categories that are applicable to your institution.

Check here if your institution's 2003-2004 academic year costs are not available at this time and provide an approximate date (i.e., month/day) when your institution's final 2003-2004 academic year costs will be available: \_\_\_\_\_

**G1 Undergraduate full-time tuition, required fees, room and board** List the typical tuition, required fees, and room and board for a full-time undergraduate student for the FULL 2003-04 academic year (30 semester or 45 quarter hours for institutions that derive annual tuition by multiplying credit hour cost by number of credits). A full academic year refers to the period of time generally extending from September to June; usually equated to two semesters, two trimesters, three quarters, or the period covered by a four-one-four plan. Room and board is defined as double occupancy and 19 meals per week or the maximum meal plan. Required fees include only charges that all full-time students must pay that are not included in tuition (e.g., registration, health, or activity fees.) Do not include optional fees (e.g., parking, laboratory use).
